MEMORANDUM AND ORDER RE: STAY

The Court has before it the Joint Motion to Stay Case Pending the Outcome of Settlement Discussions [Document 259].

The parties state that they agree to have "face to face discussions without their litigation counsel." With that agreement, the clients may be able to find a way to reach an agreed resolution.

Accordingly:

1. The Joint Motion to Stay Case Pending the Outcome of Settlement Discussions [Document 259] is GRANTED.
2. All existing deadlines are hereby rescinded and shall be re-established by further Order, if necessary.
3. The parties shall provide a status report on settlement efforts - without disclosing settlement positions by November 30, 2011.

SO ORDERED, on Thursday, November 03, 2011.

United States District Judge
